- A central circular area with a diameter dimension of  $\phi 8$ .
- An outer circular ring with a thickness dimension of 4.
- A vertical centerline and a horizontal centerline intersecting at the center.
- A dimension of 41 indicating the distance from the bottom of the object to a horizontal reference line.
- A dimension of 9.8 indicating the distance from the top of the object to the same horizontal reference line.
- A small rectangular feature at the top center, possibly a flange or a mounting point.
- A small rectangular feature at the bottom center, possibly a flange or a mounting point.
